

LOGO SUPPLY CHAIN MANAGEMENT PRICE LIST

DECEMBER 25, 2016

General Explanations

1. All prices listed in the price list are suggested end user prices announced by Logo.
2. All Prices are in USD.
3. It is required to install the software product accompanied by application consultancy in order to get maximum efficiency and performance.
4. LEM is a membership system that provides users to receive new functionalities, features and new versions of the product for free during the valid period of LEM.
5. New main package and product transition purchasing are offered with free LEM for 1 year.
6. LEM is for 1 year period. The renewal of LEM agreement starts from the end date of the previous LEM period.
7. Prices on the list, except for main package and product transition, differ according to whether users have a valid LEM contract or not.
8. If LEM agreement is expired during the installation of new products that are bought at advantageous prices, the installation cannot be done.
9. LEM prices do not include the service and support fees of Logo Business Partners.

— Explanations

1. Supply Chain Management Products maximum number of users is the same as the number of users of the integrated product (GO Plus, Tiger Plus, Tiger Enterprise) .
Microsoft® SQL Server® 2012 R2/2014 Express Edition can be used as database with Neon and Ocean. Microsoft® SQL Server® 2012 R2/2014 Express Edition
2. supports databases that have minimum 16 GB Ram and 10 GB size. Microsoft® SQL Server® 2012/2014 Runtime and Full Use can be purchased from Logo's authorized business partners.
3. Added users increases, add up to the total number of users of the main product.
Example: 3 users are obtained when "+2 users" increase is added to Neon Pro.
4. Ocean WMS ve Ocean WMS Professional can be used independent of Logo Solutions.

— LEM

1. Supply Chain Management Solutions, are products that have an impact on the calculation of LEM. LEM calculation is 10% for GO Plus, 13% for Tiger Plus, and 14% for Tiger Enterprise. For Ocean WMS LEM calculation is 15%.
